SEMINAR AT A GLANCE

Take your safety leadership to the next level with NATMI's Certified Safety Supervisor (CSS) or Certified Director of Safety (CDS) program and earn 2.0 CEUs. This 4.5-day training and certification course provides the skills and credentials needed to implement and manage effective fleet safety programs.

Earn a university-accredited certification that enhances your industry credibility and career advancement opportunities. Strengthen your expertise, boost your career, and make a lasting impact on safety in your organization. Secure your spot today!

Lunch will be provided courtesy of the Iowa Motor Truck Association.

COURSE COMPONENTS

Certified Director or Supervisor of Safety (CDS/CSS): Includes two courses held back-to-back, followed the next morning with a certification exam:

- *Motor Fleet Safety Basics (2 Days): This "Fleet Safety 101" program is designed to provide training on effective implementation of safety-related policies and procedures.*
- *Managing Motor Fleet Safety Programs (2 Days): This course is designed to provide transportation safety directors and prospective safety directors with the vision and skills that they need to manage an effective safety program.*
- *Certified Director of Safety (CDS) Exam or Certified Safety Supervisor (CSS) Exam (1/2 Day)*

WHO SHOULD ATTEND?

- Safety Supervisors & Fleet Safety Professionals
- Transportation Safety Managers & Directors
- Operations & HR Personnel
- Experienced Industry Professionals
