

ELECTION 2026

Cut Through the Noise. Make Your Voice Count.

 **TUESDAY, SEPTEMBER 15 @ 10:00 AM | ZOOM**

Election season is here - and so are the polls, the predictions, and the constant political noise.

Join us for a timely conversation focused not on who's winning, but on why participation matters.

We'll cut through the polling noise, share information about the judges on the ballot, and discuss how you can encourage your employees to get engaged and vote.

**ELECTIONS MATTER.
PARTICIPATION MATTERS.
YOUR VOTE MATTERS.**
