Benefits

Developed in 2011, the Cornerstone Sponsorship Program was created for Allied Division members wanting to receive consistent year-round exposure with the convenience of writing one annual sponsorship check while supporting the mission of the Iowa Motor Truck Association --- "promoting the success of the trucking industry in Iowa."

IMTA members who choose to join the Cornerstone Sponsorship Program receive benefits exclusive to the program. With the extra exposure from the Cornerstone Sponsorship Program, sponsors are certain to strengthen and deepen current business relationships while creating new business connections.

This popular program continues to grow each year and produce sponsorship success --- see just what it can do for your company in 2025 and become a sponsor today!

Commitment

The IMTA is committed to helping its Allied members receive the highest return on investment possible from their involvement with the association. The Cornerstone Sponsorship Program is the single greatest opportunity available to help companies achieve this.

Cornerstone Sponsors receive exclusive IMTA updates to continually inform their companies on how they can get the most out of their sponsorship and ensuring the sponsorship benefits are satisfied.

Benefits

IMTA's Cornerstone Sponsorship Program is divided into six different sponsorship packages with exclusive opportunities in each package.

Sponsors are given unique benefits only available to Cornerstone Sponsors with the convenience of paying with one annual check.

Benefits start October 1, 2024 and conclude September 30, 2025 --- so you better act fast to take advantage of your benefits right away!
