Golf Outing

ABOUT THE GOLF OUTING

Hosted annually by the Iowa Motor Truck Association, the Truck PAC Iowa Golf Outing is an important event for the Association. It not only brings together folks from Iowa's trucking industry, it is also the largest fundraiser for IMTA's Political Action Committee (PAC). Since this is a fundraiser, attendees will be solicited for CASH DONATIONS through various raffles & contests throughout the event. In addition, there are always unique hole contests to win prizes & nearly enough door prizes so everyone goes home with something!

WHY SUPPORT TRUCK PAC IOWA

Truck PAC Iowa is IMTA's bipartisan "Political Action Committee," and its purpose is to help elect candidates who understand and support the issues of the trucking industry. The support IMTA members and others provide through ongoing contributions to Truck PAC Iowa goes towards funding the campaigns of candidates and helps educate representatives, promote policies beneficial to the industry and, whenever possible, influence the outcome of legislation, regulations and rules.

Supporting Truck PAC Iowa is vitally important to the IMTA's on-going legislative efforts, and why not show your support in a fun way --- like golfing!
