

SAFER ROADS. SMARTER COVERAGE.

Insurance Strategies for Motor Carriers

 **TUESDAY, AUGUST 18 @ 10:00 AM | ZOOM**

Today's insurance environment is more challenging than ever, making safety one of the most valuable investments a motor carrier can make. As federal and state agencies continue their efforts to remove unsafe operators from the road, the companies demonstrating strong safety performance are better positioned for long-term success.

Join IMTA as industry leaders explore what's driving today's insurance market and what it means for your operation. From emerging trends to practical risk-reduction strategies, you'll leave with actionable ideas to strengthen your safety program, improve your company's insurance profile, and prepare for your next renewal with confidence.
